The "Mardis de Morgat" bring life to the summer season in Crozon every year. For the 2026 edition, on July 7, 21, 28 and August 4, 11 and 18, the town of Crozon invites you to enjoy unique family evenings!

From 8:00 pm to 11:00 pm, a strolling brass band will enliven the quays, while street theatre performances will take place in the heart of Morgat. On Tuesday July 21 and Tuesday August 11, the spotlight turns to concert evenings and fest-noz celebrations featuring traditional music groups, sometimes with a modern twist, along with dancing. Introductory Breton dance workshops are also scheduled on these two dates in the late afternoon.

With burlesque circus acts, aerial performances, juggling, acrobatics, music and humour, everything comes together for evenings full of emotion. These family-friendly shows promise to delight both young and old alike.
Have a wonderful summer 2026!

TUESDAY 7 JULY

LA PANNE

LES P'TITS BRAS

Les P'tits Bras revive an old circus discipline: the swinging pole.
Rising 8 metres high, its flexibility allows performers to move close to the audience, playing with sensations of danger and suspense.
A technical and acrobatic feat performed solo through the lens of a clown-like character.

LE DERNIER CONCERT

CIE I.SI

In this burlesque duo, the musicians gradually let themselves be carried away by inspiration; virtuosity collides with the joyful chaos of an immersive fairground universe. A circular stage and quadraphonic sound plunge the audience into an offbeat musical score where everything sways. A vibrant sensory experience where the unexpected emerges from bodies, sounds and glances.

LES OISEAUX DE TROTTOIR

A travelling cycling orchestra bringing together professional and amateur musicians from all over France, Les Oiseaux de Trottoir combine bold rearrangements of French and international song classics, original compositions and musical creations, all within a poetic and festive universe that reflects their spirit.

TUESDAY 21 JULY
CONCERTS

7:00 pm, Place d'Ys: introduction to Breton dances by Club Kador Danse

RAMBLE DITTIES

Ramble Ditties takes us into the pubs of western Ireland – the counties of Clare, Sligo, Kerry and Donegal – with the warm sounds of instruments playing jigs, reels, hornpipes, slides and other traditional tunes, alongside songs by travelling poets telling stories of their homeland and adventures towards America.

SPONTUS

With feet in the dance circle and heads in the stars, the group Spontus has been sharing its energy between stage and dance floor for 30 years. Through traditional call-and-response singing, they offer a repertoire of dances from Lower and Upper Brittany, performed vocally or instrumentally and enriched by their experience as dance leaders.

GANGSTAR FANFARE

4 musicians, a self-powered float and an explosive show!
Aboard their "gangstar-mobile", Vladimir, Michael, Maria and Mr Lee blend reggae, ska, rock and swing while performing theatrical sketches, circus acts and festive music.
Raw energy and humour guaranteed!

TUESDAY 28 JULY

TRICI

CLAUDIO MUTTAZI

A crazy musical tricycle, someone everyone is waiting for but who never arrives, a suitcase, a roller and an unbalanced tightrope walker… Trici is a performance for children and adults alike, where juggling and balancing acts bring funny stories to life, with the audience becoming the true protagonist.

JÜMELÄG

IMPERIAL KIKIRISTAN

The delegation from Kikiristan has chosen to twin with your town! Unfortunately, our six representatives constantly confuse the many official ceremonies, mixing up the mayor's speeches with duck fishing games, beauty pageants with loss of nationality, and official receptions with the dance of the ironing boards. What if, without realising it, these six lovable stateless characters were holding up a mirror to French society and confronting it with its own realities?

KEVRENN SANT MARK

Founded in 1947, this Brest-based Bagad brings together traditional Breton musicians. Driven by a constant desire for innovation, the Kevrenn has developed a repertoire that blends tradition and openness, incorporating new musical forms and collaborating with many artists.

TUESDAY 4 AUGUST

CAILLASSE

LE GUICHET

Embark on a thrilling epic: the escape of Doubri, a Communard sent to the penal colonies of New Caledonia in 1871. Acrobatics, percussion and clown-like humour drive this story where imagination defies imprisonment. Through constant interaction with the audience, this idealistic convict transforms his tragic journey into a vibrant ode to inner freedom.

LES FRÈRES FORSINI

CIE HÉMISPHÈRE DE L'OUEST

Between humor and circus arts, join us for a hilarious duo whose lineage can be traced back to Chaplin, Keaton, and Laurel and Hardy.
With their Houdini-esque agility, the Forsini brothers will dazzle you with their breathtaking acts. In the grand tradition of the early 20th century, these men of strength, father to son, will captivate you with their (p)athletic physiques…

LA CONFIZERIE

Founded in 2017, the brass band La Confizerie has gradually created a delicious blend of countless musical flavours. Their concerts combine diverse influences: Latin street music, jazz, New Orleans sounds, and the atmospheres of house and techno clubs. Come and experience electro music stepping out of the darkness of nightclubs into the light of day – acoustic and full of colour.

TUESDAY 11 AUGUST
CONCERTS

7:00 pm, Place d'Ys: introduction to Breton dances by Korollerien Kraon Celtic Circle of Crozon

NOSTRAD

Nostrad, an unusual trio combining diatonic accordion, world percussion and Celtic harp, performs within a neo-traditional repertoire. The group aims to blend traditional Breton tunes with original compositions, creating a truly unique musical experience. On stage, the trio unfolds a sensitive world filled with lively and joyful music capable of awakening our inner child.

LA FAMILLE LEBLANC CANADA

La Famille LeBlanc performs 19th-century songs rooted in little-known Celtic and Acadian traditions. Through vocals, concertina, whistle and violin, the daughters and their parents combine ancient ballads with jazz and baroque arrangements. A musical journey from Poitou to Louisiana and all the way to Canada.

VOLKANIK

Created in Rennes in 2010, Volkanik delivers an explosive mix of original themes inspired by the repertoires of Gypsy brass bands from Macedonia, Serbia and Romania. Dressed in impeccably anachronistic style, the group blends Balkan influences with an offbeat universe. They offer an explosive, colourful and festive experience guaranteed to get the audience moving.

TUESDAY 18 AUGUST

POR EL MOMENTO

EITIS MAGIA

Discover this wordless solo performance combining visual magic, object manipulation and physical theatre. Flying cards, disappearing buttons and travelling hats appear in countless unexpected forms and situations. A playful and colourful performance where the power of magic, the tension and thrill of acrobatics and juggling merge with the worlds of theatre and clowning.

UP TIME

CIE MIRADOR

This explosive circus-burlesque duo
will put you on the swing of the 1930s. With dancing,
pole dancing, bootlicking, juggling, and flowers
because they're happy to blow things up, but... gently!

FANFARNAUM

Take a wacky brass band, a joyful cacophony of brass, saxophones, accordions and percussion, sprinkle it all with good humor and energy; for over 20 years, Fanfarnaüm has been unleashing the «Thunder of Brest» with a festive and eclectic repertoire, ranging from Latin and traditional music to jazz, rock and many other surprises!
